KIDS EASTER 2010 ACTIVITY PROGRAMME

Redbridge Sports & Leisure are pleased to offer the Multi Sport programme for children to participate in during the Easter holidays. All the children that take part in the programme will experience professional coaching within excellent facilities while developing skills and interest in their favourite sports and adding to a healthy lifestyle.

The Multi Sport programme is an excellent combination of all the sports we offer including trampoline, kick-boxing, football, kwik-cricket, badminton and fun games for the younger ones. The priority for our programme is to provide enjoyment for your child whilst learning new sports and social skills. Specialist courses are also available in Basketball, Football, Hockey, Netball, Badminton, Tennis, Table Tennis and Trampoline.

For working parents Extended sessions are also available for many of the courses on offer.

Most of our specialist courses are available for your child to continue after the Easter programme as a Junior Course. For more information contact Michelle on 020 8498 1026.
