KIAP

The Multi Sport programme is an excellent combination of all the sports we offer including trampoline, football, cricket, badminton and fun games for the younger ones. The priority for our programme is to provide enjoyment for your child whilst learning new sports and social skills. Specialist courses are also available in Netball, Gymnastics & Trampoline.

Children can develop both skills and interest in their favourite sport, and you will be safe in the knowledge that their participation will add to your child's healthy lifestyle.

Redbridge Sports & Leisure are pleased to offer the Multi Sport programme for children to participate in during the Easter 2018 half term. All the children that take part in the programme will experience professional coaching within excellent facilities.

Please ensure that your son/daughter wear s **appropriate sports clothing** (i.e. **no jewellery, denim or baggy clothing & long hair tied back**). Please ensure your son/daughter brings a bottle of water with a sports cap, as they will need to keep hydrated throughout the lesson.

We would ask you to be prompt for the session, as our policy is if the gymnast is **5 or more minutes late** for the class, they will **not be able to participate** in that session as they will not have had sufficient warm up, and are at risk of injury from the activity they will be doing.
